I CHALLENGE YOU to AFFIRM WHO YOU ARE

- When: For the Next 30 days
- Where: On the world wide web
- Why: See Below

I had a conversation not long ago with a potential client.

P. Client: I would like to work with you but I am outside of who you say you serve.

Me: I partner with High Achieving Smart Conscious Women and a Few Good Men to maximize their education, experience, & power to develop and implement strategies that exceed their current success expectations & realities, create a life of abundance, build legacy & prosperity through mission-driven experiences, entrepreneurship, and activities, for themselves, present-day communities, and forthcoming generations. Why would you think – I would not serve you.

P. Client: I am a working mother, I have not finished my degree, I am not impressive to others, and I don't sit in meeting rooms, I am not a shot-caller!

Me: Girl – you are such a Go-Getter

She and I then had a coaching session RIGHT then.

After 40 minutes of on-the spot coaching- She is now aware of who she is and her potential.

We discussed her strengths, her superpowers, her need for the community to be better, her need for prosperity and to live an abundant life, how smart & conscious she is, and how she would like for her children and their children to live life.

Yesterday one of my Coaches asked us to affirm with her

(I did not- let me stop and go do that now)

I plan to do 30 days of AFFIRMATIONS- I want every woman to realize they are worth.

AFFIRM THIS TODAY

I AM Beyond other people's perspective of me- whatever that might be

I AM Smart, honorable and I seek to always be conscious.

I AM Unmovable I STAND CONCRETE
